“ When I was learning how to drive, I used to pick up Alvaro in the morning and drop him off to school with David. Alvaro and David used to always be together as kids growing up, and I truly considered him like another brother to me. So many memories... from camping and dirt biking at Hollister, to the Concord waterpark, planet fitness, Round 1, that Jack in the Box run on my graduation day, walking to Little Caesars, taking Ozzy to the dog park, etc. Alvaro always made me laugh. A very sweet, funny, and outgoing kid. He used to greet my dog, “Zoooowweeeyyyyy” and helped name my younger dog Buddy.

“ I didn't know Alvaro for long, we met through mutual friends but man was he funny! I remember first ever starting gym together and seeing him put his health first was a great change for him, which made me proud and inspired me to get back into it and to follow through with it, for Alvaro! LLN

“ I only just found out about the services and won't be able to attend. Alvaro was a great kid. It was so nice to see he and my son grow up together. I will always remember our dirt bike adventures. He is sorely missed and reminds us all how short and precious life is. To his family and friends my deepest condolences.
