“ Aunt Annie, I want to say again how much I appreciated your care and love for me and my family. You always had a smile and loving personality that was especially comforting for all of us. I know you are in a wonderful place, surrounded by the love and care of those who have transitioned before you. When I think of you, I will remember your smile, soft voice and those wonderful biscuits that you would make!

With much love, your niece Debra!

“ Nookie always accepted me as one of her own and for that I'm eternally grateful. She was a beautiful person with a beautiful soul.....who loved long hair 🥰 Every time I would see her should would always play with my hair and tell me I better not cut it. May she rest in peace as she enters the gates of heaven with the rest of her loved ones who passed before her. GOD please wrap your loving arms around Nookie's family and bless us with comfort, strength, and peace as we lay her down to rest. 🙏🕊️🕊️❤️

“ *To my Dear Turnage Cousins,*

When I learned my Mother's last sibling, Aunt Annie, had passed away, I was struck with emotions.

I only saw her about three or four times in my life due to our living distance. However, when I would see her she reminded me of my Grandmother (her mother) because the two resemble each other. May this serve as a living tribute to her memory. As we pray for strength and resilience for your family. Remembering your wonderful mother (my Aunt Annie) and wishing you all comfort. With much Love, Aaron Jr and Ida Myers.
