Tribute Wall

SC

“ I’m shack to read that GEP (as everyone call him) that he no longer uses with us. I worked with Gep for 21 years at Cal Maritime Academy and we had alot of good memories together. He is what you call Jack of all trades but knows them all too. He will be missed by faculties and Middies alike. Fairwinds shipmate until we meet again.

sonny cacuyog - January 30, 2025 at 10:13 PM
