“ *Dear beautiful Debbie is now on her next journey. We had been close friends for 45 years and I think of her everyday. There were 6 of us and we called ourselves the Rosebuds. The Rosebuds had dinner with her in Scottsdale her last night on earth. She told us she loved us all and was so happy we were together. And we were. We miss her terribly. I love her always and will keep her close to my heart Until I see her again 💔*

“ *Debbie loved life and left this earth way too soon. It's been 3 months and I think of her everyday. My deepest condolences to Joe and her family. She was beautiful inside and out and I am honored to have been one of her best friends for many years. Her beloved cocker spaniel Scarlotte wonders where you are but Joe is taking her for walks and snuggling with her at night. Will miss Debbie forever. Maureen McCarthy*
