“ I remember Uncle Bud and Aunt Helen pulling in Grandma driveway on a motorcycle. It looked so big to me as a kid. She was so happy to see them. His car was always so shiny. He teased me that California would have an earthquake and fall into the ocean and I had nightmares about him and Helen falling into the ocean. I remember him making us laugh and his big smile and all his love for his family He will be missed by all and our love and condolences. Go out to his family. Love you guys.

You have taught me so much, and the one that stands out the most is to be authentic because that's how you lived your life. Thank you for making me feel I am a part of your family. It's an honor and a privilege. I will miss you very much
