“ *Uncle Bill*

*When I think of Uncle Bill and Aunt Marie with Betty my mother and my father Richard all dressed up for dancing at the Elks Club I think of the brat pack. A true gentleman of gentleman dressed up and everywhere to go. I remember the gentleman he truly was. If there were more people like Bill and his bright smiling eyes this world and the people in it would be in a better place. As I think of it they are all together now. Dancing the jig as they would say. Thank you Uncle Bill for being the true gentleman I always knew you to be.*
