“ There are those that are sent among us to walk as angels and be a light of peace, love and joy. Lorraine Laird is one such person.

*I was blessed to grow up in the Vallejo 1st Ward and knew Lorraine and their family as long as I can remember.*

*Whether it was singing (my mom Margie Shallenberger, often sang in a trio with Lorraine, Lois Bannister, accompanied by Twila Ferrin) angelic melodies, reassurance that you were an awesome person, a look into her faith--which in itself seemed angelic-- or a simple touch of the hand, where you felt goodness, Lorraine was one of those angels that blessed our lives on this side of the veil.*

*Just 3 years ago, I was on a trip and visited "home-Vallejo" and attended Sunday services. After the service Lorraine came up, me with now white hair and her with white hair, and she gently touched me on the arm, where instantly "all was well".*

*I am grateful that Lorraine and the Laird's were an important part of the fabric of my life as I grew up in that area, in a way that stays with me today.*

*Lorraine, we fondly remember you today and congratulate you on joining the heavenly choir and being with family and friend.*

*We love you.  
Steve Shallenberger*
