Tribute Wall

“ *I’m saddened to learn today that my dear friend, Mabel Rouse, transitioned to be with Jesus last month.*

Mabel and I became dear friends while working at the Vallejo Housing Authority back in the 70’s. She was a true friend to me; was hard working; and always willing to go out of her way to support a friend.

We last saw each other in 2016 (I believe) upon my return to Vallejo for a summer visit. We lunched together and laughed together just like old times. She shared the same birthday as my mom so that was always a fond connection we had! We stayed in touch through FB.

My sincere deepest sympathies are extended to Mabel’s family. She’ll be missed by so many family, friends and co-workers! Love and miss you my dear friend!
