“ To endure what my auntie went through the past the decade while staying positive but nonetheless keeping a smile it's hard to fathom. I don't know how she did it but she did. By far the strongest woman I've ever met. Deep down inside I know she wanted to go home to our savior as well as to reunite with her family. She is in a better place with her dad, mom, husband, siblings, brother, but more importantly her daughter. We will miss your cooking at every event. May God rest her soul.
