

Matthew Lee Allen

May 6, 1966 - December 27, 2021

Matthew Lee Allen passed away on December 27, 2021. He was born on May 6, 1966 to his loving parents Dale and Carolyn Allen in Vallejo, California.

Matt loved so many things; family, friends, low-riders, motorcycles, making people laugh, and enjoying life. Matt loved going to and participating in car shows. He also loved to hang out with his buddies and working on his own low-rider cars. He usually wore a ball-cap with Oakland Raiders or Vallejo on it. His charismatic personality will be something that we will all miss forever. He was a real "people person" and his passing will leave a large void in all the lives he touched.

Matthew is survived by his loving parents, Dale and Carolyn Allen, his brother Dale Allen Jr., Nephew Ryan Allen, Uncle Bob Allen, Sister-in-Law Shelli Allen, Girlfriend Angela Cimoch, Cousins Mendi Dowell, Pam Lissarrague, Peggy Allen, Dee Horine, Kelly Blankenbehler and Teresa Bockerman, the remainder of the family, and his many friends. The memories of Matt will live on forever. He was loved by all.

The family will have a viewing service for Matthew Allen on January 15, 2021, beginning at 11am at Skyview Memorial Lawn, 200 Rollingwood Dr. Vallejo, Ca 94591. (707) 644-7474.

“ Did you recognize my voice as I was begging you to hold on for a few more seconds? When you opened your eyes half way, could you see my face above you as I tried so very hard to save you? I can only hope and pray that you did and found some comfort in knowing that you didnt die alone. My heart is now a broken reminder of how much I loved you and why I always wanted to be by your side. Thank you for loving me and sharing your last days as the man I loved so much....Until we meet again I will struggle through this thing called life... alone. With all my love and respect "Babes"....rest.

Another year....but it feels like forever. I miss everything about you and hate that I'm still here by myself, living in this cruel world. I would give anything to talk to you about whatever was on your mind...or hold your hand...kiss your face. Life was much better with you in it. I love you Babes! I hope you'll be there when my time is up and we can be together again. Until then, know that I still love you and miss you, more than words can say.

“ Matt was always my "little cousin". He was the youngest of the four Allen cousins. The memory that I often have is going to watch Matt take swimming lessons when we would come to California on vacation. He also came to Nebraska when he was probably 10 or 11 and he seemed to like my 1965 Mustang! I have been reading all the wonderful comments people have been writing on Facebook. It is so nice to know that Matt was held in such high regard. Love to all, Teresa

Matt was always fun to be around. As our moms were sisters we always went on family vacations together and spent all of our spare time together. Matt was always great with my little brother James (special needs). Matt is well loved by family and the community. It is wonderful as Teresa said to read all the great comments regarding Matt. Not a bad word about him. We all loved him!!!
