“*Mitra "Stones" Satram will forever be the conqueror of genuine hearts from all walks of life. As my younger brother, he touched the depths of my heart by his ability to demonstrate values of love, care, integrity and his special bond to uplift family and friends. Mitch was my real buddy when I was in the USA as well as when he found time to be in Trinidad. While I am thankful for the Creator's blessings upon his earthly journey, I feel he has left a void that can never be filled by anyone at this time or in the future. My buddy, I presently feel empty and lonesome! You knew this life because you were a man of wisdom and imagination. You made things with your hands because you were blessed from above. You knew to adjust yourself to suit the demands of the challenges that came your way. You were the most generous and thoughtful person who knew the differences in street life, a warm bed at home and sustenance of others before yourself. Your most powerful achievement was knowing that Jesus Christ was your Lord and Saviour. My cherished memories of you as my younger brother have surely left a legacy of real love, humility and an unmatched passion for helping others. Your life's journey was never about your social standing, your achievements or abilities to determine who would be your friends. As you make the ultimate trip to the Heavenly Kingdom, where you would live the eternal life, I am requesting our Lord and Saviour, Jesus Christ, to bless, guide and protect your loved ones. In the name of Jesus Christ, I thank God for sending you to us as a brother, friend, child of God and a fantastic human being.*

*Only love my brother!*
