“ *I have tears in my eyes as I think about the life of this beautiful woman both inside and out. I found out she was my God fathers kid and that quickly changed to my big sister! Thru out our years of growing up we always found each other and it was like we had never separated. This hurts to have to write this and know that I will never see her in the form I once did! Now I'll just look for her light in other things I shall encounter for the rest of my days! Love you Nell*
