In loving memory of Sherri Anne (Butterfield) Troutner

07/12/63- 07/25/25

Sherri was born July 12, 1963 in Livermore CA, where she was raised until moving a short distance north to Vallejo. Most of Sherri's life was spent working as a cosmetologist while being a dedicated and loving single Mother. Her love for her daughters, family and friends was at the forefront of her daily life. Whether she was on her way to help, or broke down next to you while trying to. She had fun and lively energy that was always present no matter the situation she was getting herself into.

A celebration of her life at a later date will be announced. She asked that those who knew her please share stories of her life.

Loved by her friends and family Sherri will be deeply missed yet remembered for the loving, energetic and compassionate being she was.
