

Susan Nancy Lutton

January 29, 1939 - August 28, 2022

Susan Lutton (née Strain), aged 83, passed away August 28th after a brief illness. Born in Red Bluff, CA to Herbert and Frances Strain, along with sister Doris the family soon moved to Benicia. There Susan enjoyed a happy childhood, made many life-long friends and graduated from Benicia High School in 1956. Susan attended San Francisco State University and was Editor of the Franciscan year book in 1959.

In 1965, she married Larry Lutton and in 1968 they welcomed son Jeff into the world. The family moved to Fresno in 1972, which would be home for the next 45 years. She loved cooking, gardening, country music and spending time with family and friends. She was a great fan of Johnny Cash and got to meet the Man in Black several times.

Susan retired from the Fresno Police Department as a Senior Administrative Clerk, a job she loved and where she made many friends. She was a kind and caring person who always went the extra mile to make those around her feel special and loved – a devoted daughter, a loving mother and a caring friend.

Susan is survived by husband Larry, son Jeff, daughter-in-law Lisa and nieces and nephew Janet, Marsha and Clay Englebrecht.

“ *Missing you Mom, and thinking of you always, but especially on this Mothers Day. It is tough not being able to spend the time with you to share a meal, some laughs, love and good conversation. But your first concern was always the happiness of others and their well being (especially mine and Dad's), so I will try to take comfort from the many, many happy memories of the times we had together as a family. You were, are and always will be the best Mom ever. Thank you for my life. I will try to live it well because I know that is what you want. So much Love Always, Jeff.*
