

Teresa S. Segundino

January 18, 1929 - July 19, 2023

Teresa Segundino, “Nanay” or “Tiyang” to most of you was a bright, loving, caring Child of God. She loved fully & provided so much warmth and welcome to everyone she meets. She loved to pray, and to give to others. She was involved in many outreach activities in her church in Vallejo, CA — and loved meeting new people & always had a smile on her face. For years she was a caregiver, taking care of elderly who struggled to care for themselves while being an elderly herself. If you knew her, she always had something to give, whether it be time, gifts, service, or a prayer.

She is survived by her two children, five grandchildren, and five great-grandchildren.

She’ll be missed deeply.
