“ I feel very blessed to have known Vicky. I am so lucky to have met her at John Muir Medical Center where we both worked a few years ago. She was an excellent and caring nurse. She never hesitated to help her fellow nurses when they needed help no matter how busy she was. They treasured her as a friend and a fellow nurse. I treasured her as a fellow RN, a friend and a travel companion. We traveled together with our husbands, she was so much fun to be with. She had quite a sense of humor and quite the story teller. She shared so much of her past experiences with such accuracy. I envied her great memory. I will miss her so much and I'll never forget how she and her husband encouraged us to travel with them. I am sending my love and prayers and deepest condolences to Rick and family. Till we meet again, my dear friend, go in peace with our dear Lord. With love, Lita
