Wirben Geli Vasquez

Wirben “Toto” Geli Vasquez, 48 years young, took his last breath here at Kaiser Vallejo on

December 4th 2022.

On October 30th 1974, Wirben was born to Benjamin Villadelgado and Adelaida Geli Vasquez in Villarreal, Samar, Philippines. From 1974 to 1981, he resided in Guadalupe, Makati, Philippines where he began grade school at St. Paul. Along with his family they had moved to Bacoor, Cavite in 1981 and continued education at Jesus Good Sheperd. Wirben and his family made permanent residence in Vallejo California as of 1990. Completing his education at Springstowne Jr. High School and Hogan High School. Growing up in Vallejo he did Karate at Ray Delgado’s martial arts. He enjoyed listening to Tony Robbins and applying it to the life he lived. He’s had different jobs over the years when he did work, and the jobs he

loved were the ones that were most active. He served 10 years in the US Army, through which he did 2 tours in the middle east during times of war, working on humvees and transporting them to different locations.

Wirben was full of life, his smile was very infectious wherever he went. He was a soul full of love and life in making sure his friends, family and loved ones were always more than ok. Wirben always had jokes, always wanting to make people laugh and feel happy no matter who it was.

He definitely had some hobbies, he loved to ride his motorcycle, go to the casino and listen to all different kinds of music, especially singing and listening to his favorite Tagalog songs.

Wirben was the type of person who always believed there was an answer or a way. Whether it be a simple math question or reading a manual to fix a car.

Regretfully, he left behind his parents: Benjamin Villadelgado and Adelaida Geli Vaquez, his 2 daughters Regine Angela M. Duhon and Jasmin Angela Vasquez, his 2 brothers Rey Vasquez and Roy Riyadh Vasquez, his sister-in-law Lesley Vasquez, his girlfriend Jenny Gamboa, his nieces Kiarra Vasquez and Arianna Vasquez, his nephews Kristopher Vasquez, Devin Vasquez and Joshua Vasquez and many more loved ones and friends to share.

“ I missed you every minute and every second every day since the day you left me so sudden. I missed you laughter, jokes, hugs and kisses and your love that vibrates miles away from me. I lost someone that is good that is something couldn't be replaced with any material things in this world. I still can't believe that you are gone . I wanted so bad to wake up from this nightmare. I just wanted to sleep so I could be with you laying in your arms . I couldn't sleep knowing you will never come back to me again. I never had a chance to tell them how I love and cherished you Ben. Your love made me live again. May you rest in peace my love ...
